

SNOWFLOKI

WHITEPAPER

THE ORIGIN:

Many may ask what is SnowFloki? Snow is a dog's name breed of Shiba Inu, one of the co-founders of the project. This project is paid respect to him, and his dog, and responds to popular demands for dog-based narratives in the crypto space. SnowFloki stands out by blending the festive magic of the holidays with cutting-edge crypto solutions.

VISION:

Snow represents more than just a memecoin. As many of you in crypto may already know, memecoins tend to outperform nearly all other assets in the crypto market.

Simultaneously, they are often criticized for being perceived as valueless assets.

However, this statement is far from the truth, as memecoins serve as a bridge for everyday consumers and institutions to participate in the crypto market in a fun and engaging way, thereby increasing overall demand for various types of cryptocurrencies across different sectors.

Why choose \$SNOW?

- Snow the new token on BSC. The most memeable Doge in existence.
- Snow will be more than just a memecoin, featuring several unique use cases and utilities that are beneficial to the long term growth.
- The Snow movement is like no other on the BSC, bringing \$DOGE lovers from all around the crypto space and uniting them into one.
- 👶. Holiday-Themed Rewards: Get passive income for hold \$SNOW. Reflection for all holders.. There's a new \$DOGE in town.

THE UTILITY

Despite being a memecoin, \$SNOW strikes a perfect balance between fun & usefulness, through the construction of useful products, tools, and services for the BSC ecosystem investor. These utilities provide opportunities for \$SNOW to produce passive revenue streams, this is where SnowFloki comes into play.
